# FORKLIFT & WAREHOUSE TRAINING

# FEBRUARY 26, 27, & 28, 2018

Tungasuvvingat Inuit is partnering with Advanced Consulting and Training LTD. to provide a comprehensive training for individuals looking to enter the industrial / manufacturing sector. This 3-day course will cover various topics including;

- First Aid/CPR
- WHMIS/GHS
- Health and Safety
- Material Handling and Pedestrian Awareness

The course will combine both classroom and practical work, as the participants will be trained in safe use and operation of a variety of forklifts.

This project is funded by the Government of Canada.
