

MARCH 13TH

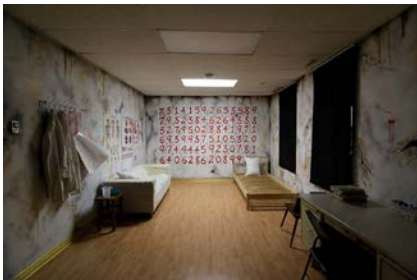

ESCAPE

MANOR

What is Escape Manor?

In a nutshell, we are locking you and your friends up in a themed room with only 45 minutes to escape! You have to search the room you are locked in, find clues, solve puzzles, and ultimately find the key to get out before the clock hits zero. Get a group of your friends to try this event!

Different rooms. Different Themes. Lots of fun! Will YOU Escape?
