

# GLADUE PROGRAM

## What we offer:

The Gladue Program at Tungasuvvingat Inuit (TI) aims to provide Inuit clients with assistance during the Gladue Process of the Criminal Justice System following a guilty plea or a finding of guilt.

A Gladue report or a Gladue letter helps the court to determine what culturally appropriate programs and services are to be recommended in your sentencing. This will ensure that you are on the path to healing and to prevent you from coming into conflict with the law again.

Have you been found guilty of a crime?

---

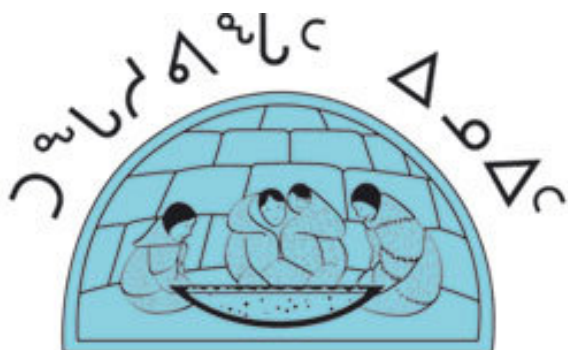

Are you waiting to be sentenced?

---

Are you an adult (18 yrs or older?)

---

If so...  
the Gladue Writer or Gladue Aftercare Worker can help!
