

OVERVIEW

As the first of its kind, Inuit-led, not-for-profit, charity, Tungasuvvingat Inuit (TI) is an Inuit-specific, multi-sector hub for Inuit of all ages and a provincial service provider that offers social support, cultural activities, counselling and crisis intervention to meet the rapidly growing, complex and evolving needs of Inuit in Ontario.

With more than 30 years of highly successful experience in crafting the design, development and delivery of a wide range of effective and client-centered services, TI continues to deliver quality programs and services wherever they are needed, that directly benefit our growing urban Inuit population, as the rate of people relocating to the South of Canada from the North steadily increases.
